Clinical Experience and Skills

Clinical Experience

Ziauddin University hospital is a busy General Hospital offering excellent exposure to the generality of medicine and surgery. I have become proficient at both acute and elective patient management and have responsibility for the daily care of patients as a Team Leader.

I am involved in clinical and bedside teaching of both undergraduates and postgraduates.

Practical Skills

Diagnostic upper and lower GI endoscopies, Endoscopic variceal band ligation, injection sclerotherapy, Endoscopic electro cauterization, Endoscopic metal clipping, PEG insertion, Endoscopic Savary and pneumatic dilatation and Endoscopic Polypectomy. I am also competent enough to perform ETT intubations, Central Line insertion, paracentesis and Liver biopsy,
